GIJAPA - COAST TO COAST

MATTHEW 7:7-8

THIS IS MY STORY

I Chronicles 4:20

Ed in 1962

Ed in 2011

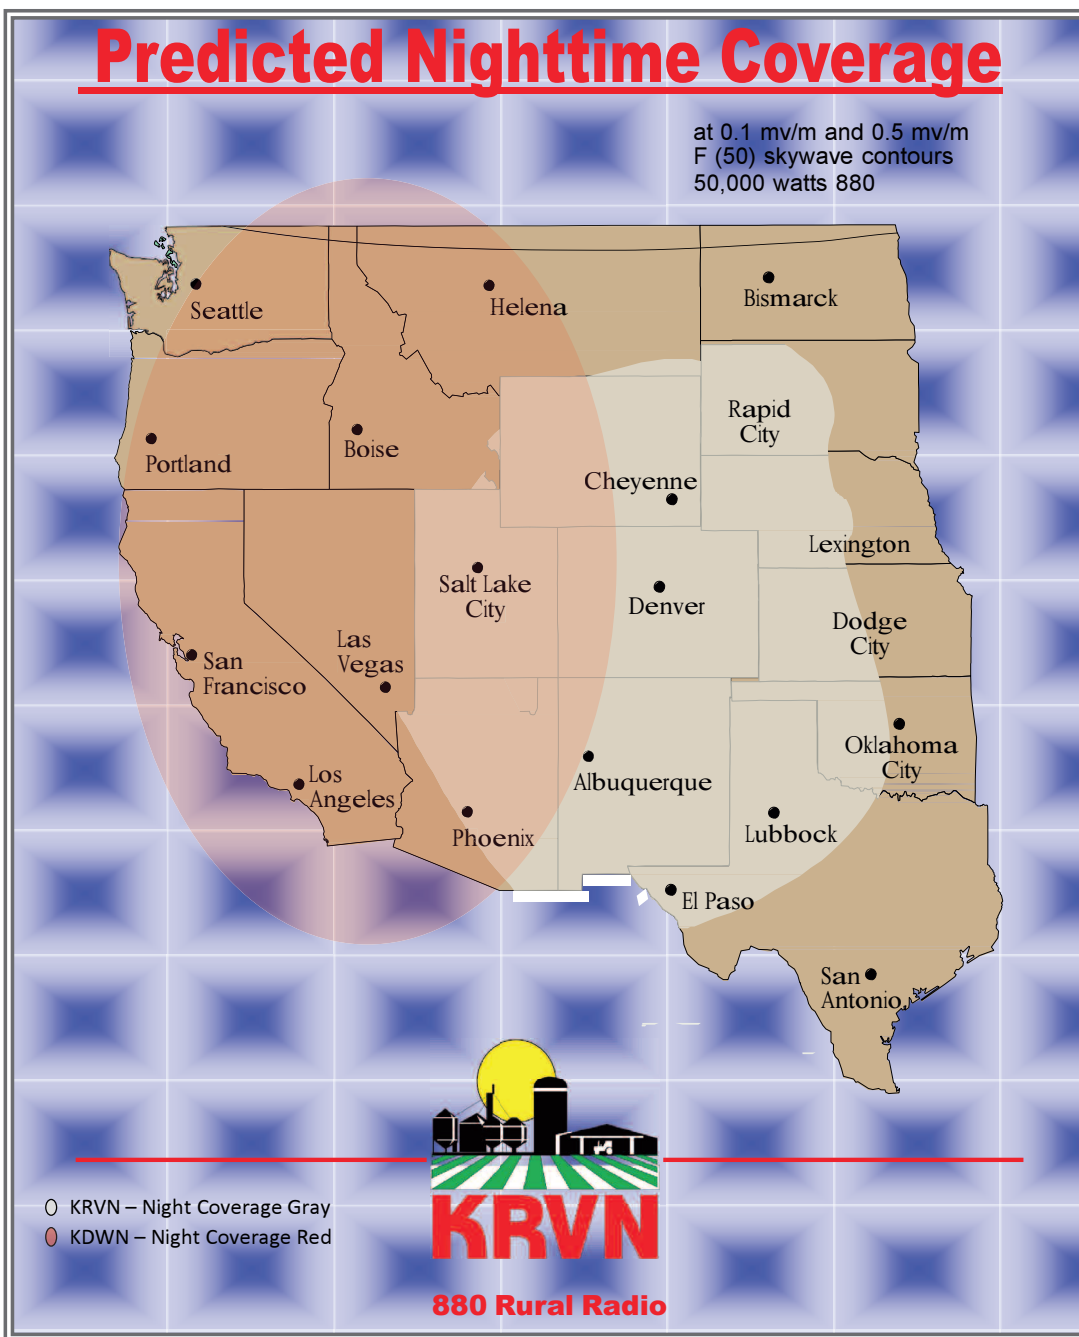

I was reading from I Chronicles 4:10: *“And Jabez called on the God of Israel, saying, “Oh that thou wouldest bless me indeed, and enlarge my border, and that thy hand might be with me, and that thou wouldest keep me from evil, that it be not to my sorrow!” And God granted him that which he requested.* I read it over again and again. I liked Jabez’s prayer and I committed it to memory and began praying it every day that God would indeed enlarge my borders as well as GIJAPA’s. I added Proverbs 16:3 to my daily prayers too: *“Commit to the Lord whatever you do, and He will establish your plans.”*

I’ll admit this time last year; I was scared as I began my day to day responsibilities for GIJAPA. However I could still hear Ed say, “Be strong, always take time to exercise and Pray! Keep GIJAPA going as long as the money comes in to pay the bills. And don’t forget, GIJAPA began with prayer and was sustained by daily prayer for 50 years.” I hid his words in my heart and never forgot them! On Tuesday March 27, 2012, I was checking my email after praying and walking two miles; not recognizing the name Jeremy P. or KDWN as the subject, I hit delete. As quickly as I deleted I hit restore. Why? I’m not sure! The email read like this: *“Dear Pastor Bousman, I recently noticed your ministry’s radio program on several full time 50,000 watt stations. We own a time period on another 50,000 watt ‘Skywave’ station reaching most of the west coast. I am writing to determine if you have interest in broadcasting your ministry program on this station: KDWN AM 720 Las Vegas, NV “Talk of the West” Sunday 10:30-11:00 p.m, \$145/per 30 minutes. If you have any interest in this please let me know. Best regards, Jeremy”* I

replied with, "Yes, send coverage map and see if you can get the price reduced." The cost of the other stations we're on, range from \$320-\$1300 per/30 minute broadcast. He sent the coverage map and an offer of \$140. We began broadcasting on Palm Sunday in Las Vegas! Two days after signing that contract Jeremy notified me of a 10:30-11:00 p.m. broadcast out of Lexington, NE covering the rest of the west coast for \$185 per week. I replied, "Send coverage map and see if you can get the price lowered." Two days later, he sent the map and said, "How does \$160 sound?" I replied with, "PTL, YES!" We started broadcasting on KRVN April 15, 2012.

Ladies and Gentlemen, this kind of growth for GIJAPA in a week's time for \$300 is humanly speaking unexplainable, it's impossible, it's a MIRACLE - it is an answer to Jabez's Prayer, which I had made my prayer! God listened, God heard, and God answered! He extended our borders from coast to coast. What a mighty God we serve! All too often we are guilty of limiting God with our small prayers. I still pray Jabez's Prayer every day and I thank God for blessing GIJAPA over and above anything I ever dreamed possible.

We are reminded once again that KDWN and KRVN coverage is as big a miracle today with GIJAPA finally being heard Coast to Coast as it was 50 years ago when Ed challenged his congregation in Lynchburg, OH to go home and pray for something impossible based on Matthew 7:7-8. "Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened." That day he prayed for a nationwide radio broadcast. I believe God just finished answering Ed's prayer. It took 50 years, but it was worth the wait! I rejoice on this anniversary of Ed's crossing over Jordan on his journey home - May 16, 2011. My fears have been replaced with faith. I know without a doubt that "I can do all things through Christ Jesus who strengthens me." *Naomi*

KDWN and KRVN takes GIJAPA COAST to COAST

Opportunity to expand GIJAPA's reach to the west coast came from much prayer, faith, and your continued contributions. The addition of two 50,000 watt radio stations, KRVN 880 on the AM dial and KDWN 720 on the AM dial has GIJAPA broadcasting during the night and reaching Coast to Coast. Broadcasting at night increases the coverage because radio waves can travel further due to the changes in the Earth's ionosphere when the sun is absent. KRVN based in Lexington, NE is the rural voice of NE owned by more than 4,000 farmers and ranchers. KRVN can be heard in: AR, CO, ID, KS, MO, NE, NV, NM, ND, OK, SD, TX, UT, WY, and Mexico. KDWN, "Talk of the West" in Las Vegas, NV bridges the western gap. KDWN can be heard in these Western states: AR, CA, ID, MO, NV, NM, OR, UT, WA, WY, Mexico, and British Columbia. In the words of Ed Bousman, "Praise the Lord and Pass the Ammunition!"

Letters

Dear Sister Naomi,

Greetings. All is well with us here in Zambia, and thank you for your prayers for us and during my recent visit to Mujimanzovu area, 85 km away from Solwezi town. We thank God for blessing my trip and was quite evidently on of great joy and success. We got few pictures that I will send immediately I have funds for postage and pay the photographer. My sister Naomi, we have received 17 Red GIJAPA T-shirts. Thank you so much. Are there any other boxes coming for children and adults clothes?

The brothers and sisters of the Kyansange Church of Christ greatly appreciate the support you send, clothes, tracts and Bibles that I distributed. Thank you for your continued support, God is blessing the work we are doing. Please always remember the churches here in your prayers and plan. We are extremely excited to be working with Ed Bousman Evangelistic Association and their GIJAPA team. May the Lord richly bless you all.

Dear Madame Naomi & GIJAPA Staff, Trustees, & Supporters,

May I have this opportunity to Thank You for the wonderful help you have been given for the ministry we have in the Philippines. You have been with us for about five (5) years now & the results & changes are indeed great & challenging, & I could say as an evangelist I am one of the true GIJAPA sons. I have started with you when I have to hone my skills for Christ & have to enroll at your Correspondence Course in which I have successfully done after some months & was given a beautiful Diploma from the Ed Bousman Evangelistic Association!

However, our work has never just contained there & we have to embark a greater work for the LORD, that is to immerse individuals in Christ & to start local Churches. To date we are working with at least three (3) local churches, & we are encouraging a couple local congregations near our region as part of our Domestic Mission Work whenever we have available funds as we are doing in the province of Pangasinan. We appreciate much for your

assistance in Bibles, clothing, religious tract entitled, "What Saves A Man" by Joe Q. Atchley, weekly audio CDs by Ed Bousman, and assorted religious literatures especially the books of Ed Bousman. Poor people like ourselves in the Philippines, these back up are great to pluck the line of saving souls for Christ.

God Bless. Ed Domingo, Evangelist of Sunset Beach Church of Christ, Santiago Sur, Philippines

Dear Friends,

Back on Sunday, March 20, 1994, I heard Ed Bousman preach a radio sermon, "Great Is Diana" at 10:30 p.m. on KXEL out of Waterloo, Iowa. The sermon was about the journey of the Apostle Paul to Ephesus and his angering of Demetrius and the other pagan worshippers of Diana in the city. Years ago, I wrote Ed for a copy of that sermon on cassette tape, and he sent me one, for which I thanked him! Nowadays, however, most folks can't play (or even buy) cassette tapes anymore! These days, I have a CD player instead. Would someone there be able to make me a copy of this fine sermon on a CD? It is an excellent sermon and is still quite relevant to us all today! I'm sure the original is still filed in Ed's old tape archives. It certainly deserves to be saved! Thank you for your time and help! Enclosed is \$15 contribution for the radio ministry. God bless you all. *Stephen H. from Elm Grove, WI. (I retrieved the CD from the bank lockbox and made Stephen a CD of "Great Is Diana of the Ephesians." I will schedule it to air May 13th so you all can hear it and better understand why it's so important to Stephen.)*

Dear Naomi,

My name is Burton S. and I'm 27 years old and I'm doing 45 years sentence. I'm only on year three and you and Ed "GIJAPA" is something I look forward to every month because it always helps me with something I'm going through. I just wanted to thank you. If you have an extra Bible Dictionary please send it. Please keep those great Bible studies coming.

Love you all, brother in Christ, Burton S. Miami Correctional Facility, Bunker Hill, IN

Blessing and Greetings to you all at Ed Bousman Evangelistic Association,

My name is Akym L. A. I just wanted to thank you again for blessing me with the gift of this fine new large print Bible. I appreciate our Father God in Heaven for this opportunity to meet other brothers and sisters in Christ. I truly believe that God does everything for a reason and I do believe this reason is to better myself and to strengthen my faith in Him. Ever since I pick up my Bible in the County Jail and surrendered my past life it has been nothing but good since then. I love the person I have become through Jesus Christ my Savior and friend. I just wanted to drop a few lines of thankfulness to those who are helping and guiding souls to the truth like me! May God protect, keep and bless you always.

Your brother and friend in Christ, Akym, Arkansas Department of Corrections, Grimes Unit, Newport, Arkansas

Dear Sister Naomi,

It is quite a long time I heard from you but I believe you are fine with the children. Thanks be to God. The work is moving on nicely, the amount of people who have been converted from that Pentecostal Church is great. We have the intentions of planting a congregation for them in their area but lack of funds has never allowed us. They come from far around the Sene-Gambia area and if we had planted a congregation there for them we would win more souls there in addition. God's time stands the best. We need some Bibles and used clothing and shoes. Life here is very difficult and since I do not have sponsors the work seems hard and tough for me. We have several refugees and unemployed among us. The Muslim population is over 90%. Over the years your assistance with Bibles, clothes and shoes has been of a great help for us here and we say God richly abides with you through Christ Jesus our Lord, Amen. Thanks so much, sister.
