THANK YOU SO MUCH!

Last month I asked for HELP and you responded! You have no idea how much I appreciate you and what an encouragement you are to me and to GIJAPA to keep on keeping on and to NEVER QUIT! I know the obvious cause of lack of funds is the depressed economy, but God is much bigger than our economy and He controls all things! And that is when His people must dig a little deeper and do a bit more, and that's exactly what you all did! Thanks for the anonymous gifts, the small gifts and the gifts of thousands! I know that each one of you will be blessed just as GIJAPA has been blessed - over and above anything you dreamed possible.

NOVEMBER 1962

1990 Ed Bousman

The third Sunday of November marks another mile stone, in the ongoing of the “God Is Just A Prayer Away” radio broadcast. On that date the fifty-third years begins. It was 1962 when this concept of reaching people by radio started. Instead of a program on several small stations, why not put a program on one of the big 50,000 watt AM outlets. There was at the time only 75 of these stations in the United States out of over 9,000 other radio stations both FM and AM. Because of their great power the signal of some of these stations reach out to about twenty-six states. For example only one of these stations is in Kentucky, three in Ohio, one in Virginia. Some states don’t have any. Some of the large cities like New York, and Chicago may have several. Because of their great power the price of putting on a program on these stations takes much more money, but one of these programs covers more area than dozens of smaller powered outlets. This may or may not be the best way to do it, but it was our concept at that time. Some idea of how far the eleven 50,000 watt broadcasts is heard at this time is shown in the number of states reached each week. Letters from Montana to Florida, Kansas to Maine, Texas to Michigan, New York to California and Nevada and Mexico to at least six provinces of Canada, the West Indies, and sometimes from freighters in the Atlantic Ocean.

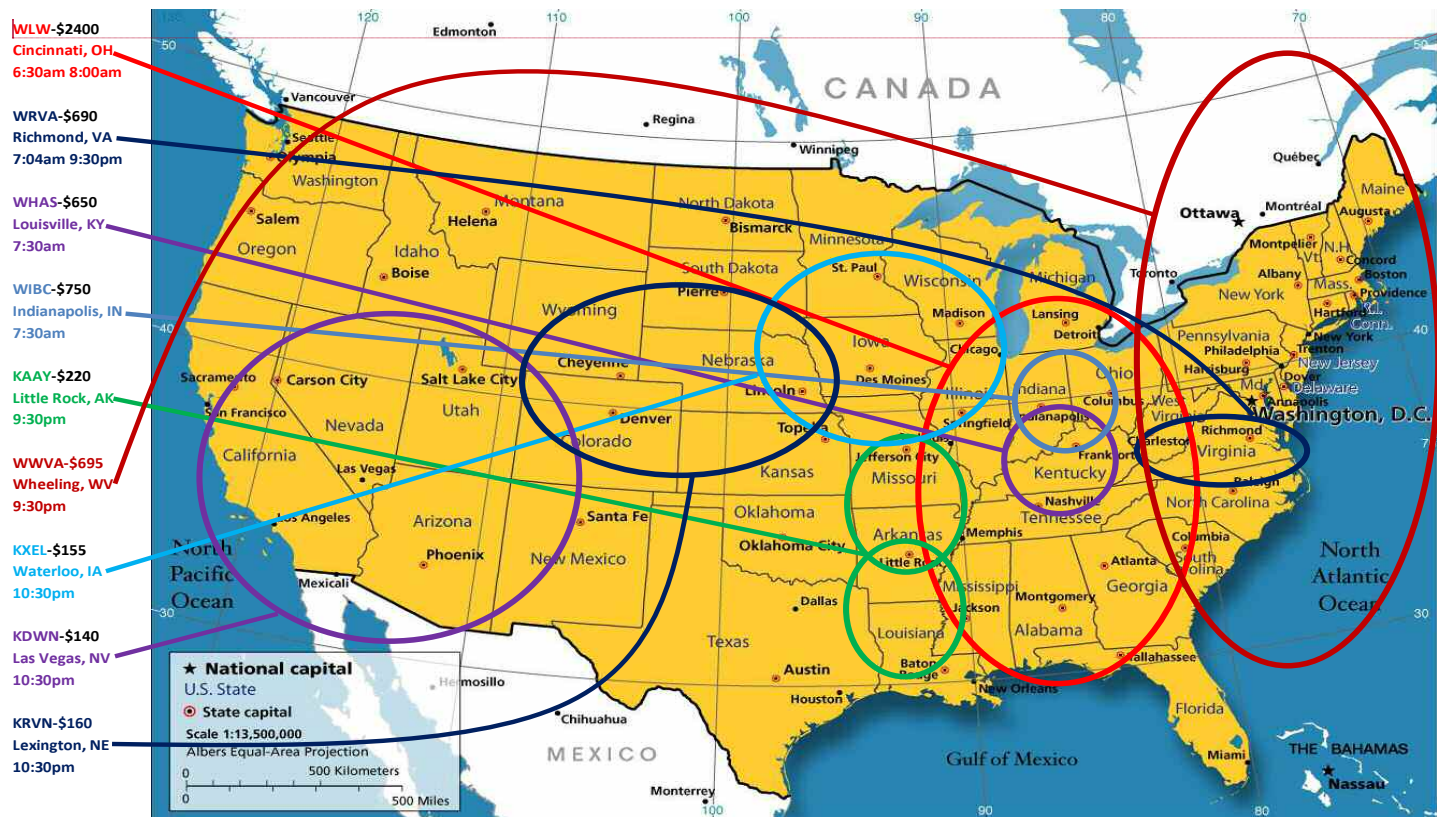

In September 1997, we started on Shortwave Radio—Bible Voice Europe, reaching all countries throughout Europe including Russia. In November 1997 he began Shortwave Radio Africa reaching over 140 million English-speaking people in three former British Colonies: Nigeria, Ghana and Camerouns. In June 1999 we started broadcasting in to India by the superpower Radio Sri Lankóthe Giant of Asia. This shortwave broadcast reaches India, Pakistan, Bangladesh, Afghanistan, Nepal, Sri Lanka and the local language is English reaching out to over one billion. April 2003 we begin broadcasting into Western Russia, Estonia, Latvia, Lithuania, Poland, Ukraine, Czech Republic and Bulgaria by means of the powerful 100,000 watt transmitter—Bible Voice Russia.

The program is supported in finances by less than 400 persons, and 78 congregations. Just wanted you to know that we have been doing this thing for fifty-two years and that the fifty-third year will begin on the third Sunday of this month. Truly God is able to bring things about which we think are impossible. (Revised 2014)

52 YEARS LATER

GIJAPA RADIO BROADCAST

A ROYAL INTRODUCTION

Four score and four months ago, God our Father brought forth on this continent, a new man, conceived in Liberty, and dedicated to the proposition of preaching the word.

Now we are engaged in the battle of the ages. Testing whether this man, or any other man so conceived and so dedicated, can long endure. Today we meet on a great battlefield of that war. Now we have come to dedicate a portion of our time today to praise the One who have His life in order that we may have hope in this world as we live here. It is altogether fitting and proper that we should do this. But, we also come to hear a man who has fought many years on this battlefield. He is one of many brave men, living and dead, who struggled on this very ground. You see, the world will little note, nor long remember, what we say here, but it can never forget what he did here. It is rather for us assembled in this room today; to be dedicated here to the unfinished work which he has fought for and has thus far so nobly advanced.

It is rather for us to be here dedicated to the great task remaining before us-that from hearing this honored man we take increased devotion to the cause for which he gave his full measure of devotion; that we here highly resolve that this man shall not have worked in vain, that this world, under God, shall have a new birth; and that the work of God, by His people, to save the people, shall not perish from the earth. Note: This introduction was given by Wade Allen, a Junior at Bluefield College of Evangelism, Bluefield, WV prior to my speaking at the College Tuesday February 23, 1999. (Wade started the Restoration Christian Church in French Lick, IN three years ago along with his wife Amanda and daughter, Lilly.)

WHEN PRAYER WON'T WORK

There is one time when prayer will not work. The prayer that won't work is the prayer that millions are told to pray every week on television and in Church gatherings. The prayer is when people are told to bow their heads and ask Jesus to come into their hearts and save them. The reason it won't work is because Jesus has already told them what to do to be saved and it was not bow your head and pray. It was, He that believeth and is baptized shall be saved. Your prayer will not change God's word; therefore your prayer for salvation by asking Jesus to come into your heart won't work. EB 1999

LETTERS

Dear Sister Naomi, I am so sorry to hear that the ministries' coffers are depleted! Brother Ed's program has been such a wonderful part of my Sunday morning worship activities and I feel so blessed by his sermons. I cannot imagine Sundays without the program! I hope that your donations are increasing and that you continue to be uplifted by our Lord and this gift will make a difference. I will pray for you!

Lisa from Carmel, IN

Dear Bousman Ministry, My name is Guy. I am writing to request a KJV Bible from your ministry. I consider it to be a great honor to have this opportunity to be a part of a God led ministry. I believe in the grace of God and His divine love. Your ministry is a prayer answer to me. I am part of an in-house jail ministry that studies God's word faithfully. The Bible I will receive will help me to discern the true word of God. I thank you for the Bible. May the Ed Bousman Ministry continue to be blessed - the Church and the volunteers.

Sincerely Del Valle, TX

My Dear Sister Naomi, How are you and all your family? My family and I are well and the Church is doing fine and continues to grow. My sister, Thank you very much for the continued help you are to us through Bibles and clothes. God bless and continue to bless you all the time. Please send us the mail to tell us how you are. Send us more Bibles and a pair of shoes. My sister, do you have any information about our brothers and sisters in the countries with ebola? Thank you again.

Hello Madame Naomi! After the two typhoons that occurred at the same time, another strong typhoon had hit us so well & up to this date my province is still in the "the state of calamity." We have low casualties & deaths but our agriculture is very much destroyed. Our government "may" import rice from other countries to sustain our grain deficit due to our very low harvest, yet it will not help much especially to our small farmers who are much the victim of typhoon & flood. What we really need is "subsidy" from our government & outside agencies. We may have grain because of import but our poor farmers do not have money to buy them as they have little harvest with their farm income sources due to our calamities. Please keep us in your prayers often. We are really in high alert to sustain our living & to maintain our work especially those far areas amid our calamities. We have to grip each other's hand to keep going with our mission, addressing our concerns for the present & extending our hand for the coming generation of Christians. Thank God for you in emulating us younger generation with this wonderful work of redemption in Christ. You indeed deserve our love & admiration. I am heading home now this 7 PM from 12-mile schedule today. Regards & God Bless You All at GIJAPA.

Hello my name is Stephen. I'm writing in hope that you may send me a Bible. I want to better my relationship with God and get on the path of righteousness. There is a lot going on in my life and I know through God I can be saved. Thank you and God bless you.

Dear Mrs. Bousman, I am writing you to say thank you for sending me a Bible and the Bible studies. Those studies I wasn't expecting, but I must admit they really help me learning and spiritually wise. You are truly a blessing. I'm being transferred to Texas Department of Criminal Justice

and I can't bring anything through intake process with me, therefore could you hold off on sending me my next studies until you hear from me? As soon as I get to my unit of assignment I will write you and could you please continue to pray for me and my family.

Thank you Julien from Conroe, TX

Hello, my name is Timothy and I am a believer who is incarcerated at the Larry Gist State Jail. I try to have a strong faith and study the word of God as much as possible. Some fellow believers have informed me that you are gifting Bibles and study gives to prisoners. I think that is a wonderful blessing for a lot of people who otherwise might not have anything. I would like to request one of these gifts if it so be able. It would be a tremendous help in my walk of faith and a tool for me to witness to nonbelievers. I thank you in advance and look forward to any correspondence.

Sincerely

Dear Sister Naomi, We are always happy when we hear of your good health and that of the children. Thanks be to God. The work is going on here very well this year and we thank God for that.

Concerning the communion trays, presently we need two but if perhaps someone can assist with more, we shall be grateful. With how things are going on now, it is likely we shall soon plant another congregation. The work keeps progressing. We shall need many cups. We have received the newsletter of GIJAPA you posted and we are happy to see the picture of Brother Manneh, that Pentecostal preacher converted with some of our new converts, and also the picture of London Corner congregation. The whole church is happy, we are all happy to see that printed thanks a lot. My wife died fourteen years ago on this hard soil. She died of blood pressure. I still feel it painfully. Life was very tough and we could not afford medical expenses. To take care of the children is not easy for me at all. She left our three children on me, Daniel our firstborn is now 29 but struggling to get a job, Sandra is 26 and now at Polytechnic, and Bright is now 19 and attending Senior

Secondary School in Ghana. They are all in the Lord. Life is very tough for us but I love to work for the Lord. Please always remember my family in your prayers, sister.

We are always grateful for your love for us and the Lord's work on this hard soil. God is with you, sister.

Thanks. Alexander Ofori, a servant of The Most High God

Dear Mrs. Bousman, I was hoping as I write a few lines everyone can be found in good health and high spirits. I am doing well, eventually God has a plan to have his continued season of people (He amidst great kindness will answer our prayers.) However, I am incarcerated in Texas as I picked your address of a list that was put out of various places and people who distribute printed materials to inmates. I suppose although many days have passed I would also if you decide to accept my request, and in any way I get maybe a Holy Bible. Myself well kind of been without because here it is a Gideon it was not completely in translation so my studies. I end this letter because I am in shortness of words appreciate your trust and help. May God bless each and every one of you.

Your friend in Christ Isai

Mrs. Bousman, I pray this letter finds you in the best of spirits. My writing is asking for a Bible. As you see I'm locked up here at the Galveston County Jail. I have a study Bible at home but the jail will not let it in. I love to work with the men in here only the Bibles that are handed out are worded differently for me from KJV. I do not have anyone outside who can be of any help in getting me a Bible. I thank you in advance for your time and help.

God bless. Kenneth
